

COMMUNITY ACTION HEAD START & EARLY LEARNING PROGRAMS

Five great reasons to join our Family Child Care Team

- 1. SUPPORT:** Program visits, screening and assessment materials, as well as EEC, Head Start, and QRIS compliance.
- 2. RESOURCES:** Lending library of early childhood educational materials, curriculum kits, books, and resource guides.
- 3. INCOME:** Increased income through a variety of funding sources, twelve reimbursed holidays and two reimbursed full-day trainings per year.
- 4. TRAINING:** Free CPR and First Aid trainings, independent workshops, conferences and professional development opportunities.
- 5. FAMILY SERVICES:** Parent education, family events, advocacy, developmental and health screenings, childcare subsidies, Head Start and Early Head Start options.

A *Family Child Care System* is a network of independent Family Child Care programs which subcontract with a local agency in order to take advantage of resources and support, and to serve families accessing financial aid through state and federal funding. *Family Child Care Systems* increase access to affordable, quality early education and care for all families.

When you join HS & ELP's *Family Child Care System*, you become part of an extraordinary team of Advisors, FCC Educators, specialists, and families working together for quality early childhood experiences.
